READ THIS OUT LOUD:

The survey you're about to fill out helps us improve our programs. It asks about your experiences, thoughts, and feelings throughout Outward Bound.

- It's not a test there are no right or wrong answers.
- Please don't talk to anyone else while you are taking the survey.
- While you are filling it out, if you don't understand something please ask me.
- Your answers on each item are private, no one else will see these.
- If at any point you feel you can't continue, please let me know and we'll talk about it.

This survey asks to think about how you felt at the start of your Outward Bound experience and how you feel right now.

- Let's get practice on how this survey works. Think back to the start of the day/expedition. What time and day did the course start? What time and day is it now?
- Let's practice another one. Name the first person who greeted you at Outward Bound. Name the people you know now at Outward Bound.
- Let's do one more. What was the first activity the group did together? What activities did you do today/last activity?

Once you begin the survey, it will ask you to think about how you felt at the start of Outward Bound and how you feel now at the end.

- For each question, fill in both responses before moving to the next one. The first question is a practice question.

Does anyone have any questions? Please take your time and answer honestly. When you're finished, quietly bring your Survey to me.

- *If you are doing the Survey on an electronic device, come and show me the submission screen. There's a blue compass and a big "Thank You."*
